

MINUTES
MASSAC COUNTY BOARD OF COMMISSIONERS
NOVEMBER 10, 2025

Meeting convened at 8:45 A.M. with Commissioners Brugger and Farmer present. Commissioner Burnham was absent.

GA Administrator Lorie Walters attended with a check register sheet to be signed.

Commissioner Farmer wasn't in attendance for the 10/28/2025 meeting, so they tabled approving the minutes for that meeting.

County Highway Engineer Brad Watson attended the meeting with claims to be signed.

EMA Director Brian Horn attended the meeting with claims to be signed. He reports the river is at 16ft.

Sherif Kaylor was unable to attend but reported the jail count is at 24.

The commissioners had trouble with the zoom link, so they requested to reschedule the meeting with Kade Andra.

Tiffany George with Southern Five RPC attended the meeting to discuss Energy Transition Grant Round 3 Phase 2. Sheridan Lingle was also in attendance. The Round 3 amount is \$1,673,388.35. The commissioners have to hold a public meeting and everything has to be complete by mid-December. Massac Unit 1 is no longer requesting funding for Pre-K as they found the funding elsewhere, so the commissioners want to allocate those funds to the CTC building. The commissioners and Tiffany decided to have the public meeting on November 20th at 5:30 P.M. in the small courtroom. Tiffany updated the commissioners on Rounds 1 & 2 and what has been spent so far.

Treasurer Sarah Bremer brought in a list of accounts totaling \$6,451,387.53. Mrs. Bremer previously emailed that she no longer needed the closed session that was on the agenda.

On a motion by Mr. Brugger, 2nd by Mr. Farmer, the commissioners approved the 2026 Holiday Schedule.
